RW Garcia introduces new Dippers tortilla strips, available now at select retailers nationwide.

San Jose, CA (PRWEB) June 30, 2011 -- RW Garcia, a recognized leader in snack foods made from all natural and organic ingredients, announces new RW Garcia Dippers tortilla strips, available now at select retailers nationwide including Wegman's and Central Market.

RW Garcia Dippers are made from all natural, Non-GMO stone-ground white corn, and a trio of delicious and healthy seeds including flaxseed, black sesame seeds, and chia seeds. They're great right out of the bag, but long and thin enough to dip into jars of gourmet salsa, bean dip or tapenade.

"At RW Garcia, we pride ourselves on creating all natural, great-tasting, innovative snacks," says company vice president and co-founder Margaret Garcia. "the Dipper line is no exception – offering a unique healthy snack food twist in a great dipping strip."

RW Garcia Dippers are made with all non-GMO verified ingredients, are gluten free certified, and come in 3 delicious varieties including: Savory, Veggie, and Curry/Mango. The RW Garcia Dipper line retails for \$3.39 per 6oz bag. To learn more about the Dippers product, please visit our website at www.rwgarcia.com or call us at 408-287-4616.
